Dear Mr. Dorant:

Attached please find a Memorandum of Agreement (MOA) between the Commonwealth and MOSES Unit 9 that incorporates agreed-upon amendments to the parties' July 2009-June 2012 Collective Bargaining Agreements. In addition to the economic items set forth in the MOA, the Commonwealth commits to the following:

To reopen the wage provisions of the MOA to further bargaining in the event that the group insurance premium percentage contribution rate for employees is increased during Fiscal Years 2010 and/or 2011.

To use savings associated with the agreement to mitigate future layoffs of employees represented by MOSES Unit 9.

To discuss the Commonwealth's recruitment of new employees into so-called Unit 9 technical positions above Step 1 of the applicable grade/salary schedule.

To analyze management staffing patterns in Executive Branch agencies and to discuss the results with the Union.

To analyze the use of so-called 03/private contractors and post-retirees/so-called "120 day appointees" and to discuss the results with the Union.

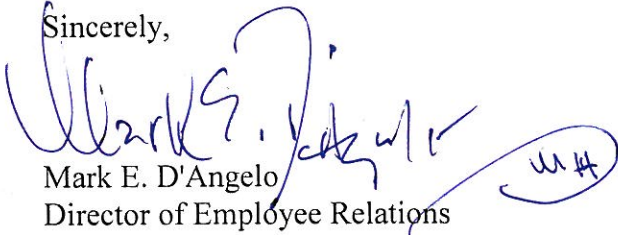

The parties have also agreed to the following procedures for the administration of the negotiated furlough program:

- Employees shall receive credit for furlough and WorkShare time already contributed voluntarily;
- Employees may specify the manner in which salary deductions are made (either at once or over remainder of fiscal year);

- Employees may volunteer additional days in an effort to preserve jobs;
- Employees who separate from service before December 31, 2010 will be permitted to cash out any unused personal furlough time.

I trust that the MOA and this letter accurately reflect the understanding(s) that the parties arrived at during negotiations. Please contact me directly with any questions or concerns.

Sincerely,

Mark E. D'Angelo  
Director of Employee Relations
